Publisher's Note to Volumes 32 and 33

Egyptian Journal of Neurosurgery

The *Egyptian Journal of Neurosurgery* was transferred to Springer Nature in 2018. The last volume published was Volume 31. The first volume published by Springer Nature should have been Volume 32, but due to a technical error by the publisher, this was published as Volume 33 of the journal. For bibliographic and indexing purposes, Volume 32 of this journal will be skipped.
